

The 2019 Young Voices Media Project will provide high school and first-second year college students age 15-19 hands-on instruction on the basics of media literacy, critical thinking, journalism, and news reporting from professional journalists.

Students will pitch story ideas, conduct interviews, follow story leads and write/produce their own news stories for **Voices of Monterey Bay**, an independent non-profit news organization in Monterey County.

July 8 to July 19

Gonzales High School, 501 5th St, Gonzales
